Nova Track Light F 15W

We are proud to introduce our new series of Nova Track Lights. The Nova Track are taking advantage of the “chip on board” COB technology, which has taken the LED development to a new turn. They are becoming more and more look and feel like the old fashion light bulbs. COB will allow the fixtures to use reflectors and lenses to make wonderful delivery of single shadow light beam. Remember how its feel when you see multiple shadows from a LED spot lights. You will not see that in the COB technology. The new series of Nova Tracks will bring you easy to install and easy to retrofit any existing track lights you already have. without re doing any electrical wirin.
