

# Nova Track Light Type F

**68NV-COB-TLFxx35W**

Nova Track Light F 35W

We are proud to introduce our new series of Nova Track Lights. The Nova Track are taking advantage of the “chip on board” COB technology, which has taken the LED development to a new turn. They are becoming more and more look and feel like the old fashion light bulbs. COB will allow the fixtures to use reflectors and lenses to make wonderful delivery of single shadow light beam. Remember how its feel when you see multiple shadows from a LED spot lights. You will not see that in the COB technology. The new series of Nova Tracks will bring you easy to install and easy to retrofit any existing track lights you already have, without re doing any electrical wiring.

## Product Technical Data

### General Informaion

Adaptor                    Track Light  
Life Span                50000hr

### Product Dimensions

Height                    165mm  
Width                     54mm  
Circular diameter       145mm

### Light Characteristics

Efficacy                 94 lm/w  
Beam Angle            30 D  
CCT                      3000K,4000K,6400K  
Flux                      2700-3700 lm  
Color Rending Index   80

### Ordering Information

Product Name            Nova Track Light F 35V  
Product Ordering #     3000K            68NV-COB-TLF3035U  
                                  4000K            68NV-COB-TLF4035U  
                                  6400K            68NV-COB-TLF6435U

### Electrical Characteristics

Wattage                 35W  
Voltage                 85-265VAC  
Power Factor            0.937

Pieces Per Pack        1  
Packs Per Carton       50  
Net Weight Per Piece   300 Grams

### Temperature

Operating Temp.       -30(min), 65(max)C  
Storage                 -40(min), 65(max)C
